  - 2. Canadian homes shall be well designed, well constructed, and well located in attractive communities, with educational, recreational, religious, and shopping facilities accessible to all.
  - 3. Canadian homes shall be built under the free enterprise system.
  
- (b) To achieve these goals I/We pledge allegiance to the following principles and policies:
  - 1. Our paramount responsibility shall be to our customers, our community, and our country, and we will, at all times, follow good building practices.
  - 2. Honesty is our guiding business policy and no member shall perform or cause to be performed any act which would tend to reflect unfavourably upon himself, another member, or upon the industry.
  - 3. High standards of health, safety, and sanitation shall be built into every home.
  - 4. The right to a fair return for goods and services shall be held and protected in our relations with labour and all other segments of the industry.

  - 6. All sound legislative proposals affecting our industry and the people we serve shall have our informed and vigorous support.
  - 7. We assume the obligation of co-operation with one another within the framework of competitive free enterprise.
